

## Michael Twiss - Ergonomics, safety and health consultancy

Michael Twiss can be contacted on 01344 779 438  
Ergonomics, Safety & Health Consultancy

Michael leads an established and respected Ergonomics, Safety & Health consultancy providing a quality, professional service to industry and commerce.

Michael's business philosophy is to provide the client with the service they actually need, rather than offering a rigid portfolio. Within this framework, some of the most frequently requested services are:

Features include:

- **Product design and evaluation** - Provision of Ergonomics data. Production of drawings, plans and models. Prototype evaluation. Task analysis. User trials. Problem solving and troubleshooting. Interface design.
- **Workplace design and evaluation** - Ergonomics audits and assessments of all aspects of the working environment leading to confidential reports incorporating workable remedies and pragmatic recommendations.
- **Furniture and Equipment selection** - Impartial 'fit for purpose' selections of furniture and tools and equipment for offices and industry. Ensuring that the items selected are suited to the needs of the organisation the users and the tasks performed.
- **Health and Safety management** - Identification of key Health and Safety issues. Health and Safety management systems and priority setting. Hazard management and risk assessment. Policy and documentation development. Legislation compliance strategies.
- **Advice** - to Directors, Facilities Managers, Safety Advisers, Designers, Architects, Engineers, Purchasing Managers, and similar groups on the Ergonomics, Safety & Health aspects of their work and how they influence what happens in the workplace.
- **Training, seminars and conferences** - Awareness training. Safety and hazard management. Risk assessment. Ergonomics. Assessor training. Legal duties and standards. Train the trainer programmes. Management and operator training.
- **Expert witness reports** - The consultancy has been instructed to act for the Claimant, the Defendant or jointly, in many work related personal injury cases. The staff have valuable court experience.

Clients include: The Boots Company, The Environment Agency, Glaxo, Richard Ellis, 3M, Coca-Cola, British Gas, Lloyd's Register of Shipping, BBC, IBM, Barclays Bank, Del Monte, House of Fraser, Fuji Bank, Dunlop, Prescription Pricing Authority, London Stock Exchange, Standard Life, Ryanair, Bradford & Bingley, Siemens and many of the leading law firms.

This short overview cannot fully describe the breadth services offered. You are invited to contact Michael to discuss your individual needs: in many instances, all that is necessary is to help you to make better use of what you already have.
